Announcing
The Opening of
THE JOHNSTON R. BOWMAN Health Center For The Elderly

Officially opening in November 1976, the Johnston R. Bowman Health Center program is concerned with those individuals who are in need of restorative/rehabilitative institutionally-based distributive social health care. Length of stay will vary within a maximum period of 6 months. The health center will have 2 components: patient care & residential. Designed to have a total of 176 beds at completion, we will open in November with 1 pod of 22 beds. We are currently hiring staff & leadership people & are seeking RN's with rehabilitation or long term care experience.

Benefits will include one of the highest salaries in the Chicago area, free life, health, liability & disability insurance, tuition reimbursement & horizontal as well as vertical promotional opportunities.

For more information and interview appointment, contact Joan Anen, Nurse Recruitment.
